This video was very informative. It shares the importance of the School Community Council. Some responsibilities are to monitor the current years plan, Digital Citizenship, look at goals and make sure it is being carried out. For Trustlands money to impact students immediately for greatest needs. Look at data driven decisions for the upcoming school years plan, as well as other important items. It expresses how important it is to get parents involved in School Community Council by posting meeting dates, times and agenda. This video is worth the watch.

Safe Technology & Digital Citizenship

Be the Difference Assembly was held on August 29th with positive feedback.

Media Center Orientation: This is instructed by Jan Jenson. She is sharing with students how to navigate the digital world safely.

Other Items: New Members to look for an email welcoming them to School Community Council from support@utah.gov.

Next School Community Council Meeting will be held 10/2/24. All are welcome to attend.
