Given out once a year in the whole state of Utah. Packets handed out. \$10,000 award. Teachers, Administrators, Volunteers and Special Education teachers can be nominated. Forms passed out by Trudy

S.N.A.P plan discussion – Providence City

It's our committee's job to make a safe walking route to school (in partnership with the city). The city is responsible for paying for the crossing guards, flashing stop signs, and sidewalks. Voiced concern about lack of sidewalks especially on 100 East from Canyon Road. Kendall Allen (District Transportation) will be invited to next month's meeting as well as Providence City officials

School Trustlands Plan (STP) for next year – allocation of funds, school needs – district due date is April

Projected to get an estimated \$47,000 next year because of legislative changes

Trudy—Another chromebook lab would be helpful, discussion about an art program, possible math aides. Trudy will discuss the needs with teachers at their next faculty meeting and bring them back to the committee.
